

April 7, 2020

Dear Muscle Shoals Education Foundation Supporters,

First, the Muscle Shoals Education Foundation Board of Directors and I hope you and your family are safe and healthy. During this uncertain and critical time in our country, we are all woefully aware of the economic struggles that will continue to grow the longer it takes to control the coronavirus. You are receiving this letter because you have donated to the Muscle Shoals Education Foundation in the past through a general donation, memorial, or as a scholarship sponsor.

Unfortunately, the students of the Muscle Shoals High School Class of 2020 have lost many precious moments of their senior year. The Foundation wants to provide a little ray of encouragement and hope for our 2020 seniors by providing senior scholarships to further their education and skills.

Students graduating from Muscle Shoals High School have various paths they can follow to further their education. Some will choose a junior college, apprenticeship program, or a four-year university. Regardless of their decision, we are proud of all students who have made a choice to work hard and graduate from Muscle Shoals High School.

We all know college expenses can be very expensive and many students will need to seek additional financial assistance. With your donation to the Muscle Shoals Education Foundation senior scholarship program, many deserving students can have part of their college financial burden eliminated. Please consider this distinctive way to honor one of these young adults by helping them pursue their dream of continuing their education.

The deadline for 2020 scholarship donations is **May 8, 2020**. You can mail your donation to the following address:

MSEF
3200 South Wilson Dam Road
Muscle Shoals, AL 35661

or visit the foundation's website at www.msocsfoundation.com and click on the donate button. If you have any questions please call me at 256-389-2698 or email ksasser@msocs.k12.al.us

Ben Franklin said it best *"An investment in knowledge pays the best interest."*

Thank you for your investment,

Karran Sasser and MSEF Board of Directors
